

BARASTOC

DAIRY FEEDS

BABY CALF PELLETS

MEDICATED ANIMAL FOODSTUFF

A palatable and nutritionally balanced complimentary calf feed formulated to promote optimal growth up to 6 weeks of age.

WHAT WILL IT PROVIDE MY CALVES?

High quality protein sources for optimal calf growth (urea excluded).

Balanced mineral and trace elements with added vitamins A, B (1, 2, 6 and 12), D₃, E and K₃ to help maintain calf health and performance.

Contains 50 mg/kg Monensin (as Rumensin®) for improved feed conversion efficiency and as an aid in the prevention of coccidiosis.

Rumen buffer included to help reduce the risk of acidosis.

INGREDIENTS SELECTED FROM THE FOLLOWING: Cereal Grains and their By-Products, Legumes and their By-Products, Vegetable Protein Meals, Molasses, Fats and Oils, Minerals, Trace Elements and Vitamins.

WARNINGS

MEDICATED ANIMAL FOODSTUFF. For animal treatment only. Use strictly as directed and keep out of the reach of children. DO NOT allow dogs, horses or other equines access to this feed. Ingestion of Rumensin® (Monensin) may be fatal to these species. Withholding Period; meat (nil)

This feed has been formulated specifically for animals as described on the package, or the label attached to the package, and must not be used for other species of animals.

This feed is unsuitable for human consumption.

This feed does not contain Restricted Animal Material.

The manufacturer accepts no responsibility if this feed is used in quantities, conditions or in any way other than in accordance with the manufacturer's recommendations.

STORAGE REQUIREMENTS

Store under cover in a cool, dry place below 30°C and protected from exposure to direct sunlight.

PRODUCT CODE 101741

PROUDLY MADE IN AUSTRALIA USING INGREDIENTS SOURCED FROM AUSTRALIAN FARMERS.

FEEDING GUIDE

Feed to appetite to growing calves up to 6 weeks of age.

When fed prior to weaning, feed in combination with whole milk or milk replacer.

Provide straw or hay as a roughage source to stimulate rumen development.

Ensure fresh, clean drinking water is available.

Follow on by phasing in Barastoc Calf Rearer Pellets, over a 3-day period, from 6 weeks of age.
