

 RIDLEY

**BARASTOC**

**FARM FEEDS**

## HOBBY FARM MIX

SUITABLE FOR A WIDE RANGE OF  
ADULT CATTLE, GOAT AND SHEEP BREEDS

A nutritious and balanced muesli-style ration for  
the supplementary feeding of cattle, goats and sheep.

### WHAT WILL IT PROVIDE MY ANIMALS?

---

A blend of highly palatable and nutritious ingredients that appeal to cattle, goats and sheep.

Contains a complete and balanced vitamin and mineral concentrate pellet to ensure that animals get enough of these nutrients in their diet, especially when natural grazing areas are limited.

Animal Foodstuff. This feed has been formulated specifically for animals as described on the package, or the label attached to the package, and must not be used for other species of animals.

THIS FEED IS UNSUITABLE FOR HUMAN CONSUMPTION.

**This feed does not contain Restricted Animal Material.**

The information provided in this specification is exclusive to the product identified and correct at the time of writing. The manufacturer accepts no responsibility if this feed is used in quantities, conditions or in any way other than in accordance with the manufacturer's recommendations.

### HOW MUCH SHOULD I FEED?

#### ALL ANIMALS

Barastoc Hobby Farm Mix is intended as a supplementary feed for adult cattle, goats and sheep.

Before starting to feed Barastoc Hobby Farm Mix ensure that a plentiful supply of high quality pasture or hay is available and that animals are able to eat this to appetite.

It is important to introduce Barastoc Hobby Farm Mix gradually to their diet over a 2 - 3 week period to minimise the risk of acidosis.

Ensure fresh, clean drinking water is available at all times.

#### CATTLE AND GOATS

As a guide, start feeding Barastoc Hobby Farm Mix at a rate of 0.1kg per 50kg of body weight per animal per day. Gradually increase the feeding rate over the next 21 days to 0.50kg per 50kg of body weight per animal per day.

DO NOT feed more than 2.5kg of Barastoc Hobby Farm Mix per meal for cattle.

DO NOT feed more than 1kg of Barastoc Hobby Farm Mix per meal for goats.

#### SHEEP

As a guide, start feeding Barastoc Hobby Farm Mix at a rate of 0.1kg per 50kg of body weight per animal per day. Gradually increase the feeding rate over the next 21 days to 0.50kg per 50kg of body weight per animal per day.

DO NOT feed more than 0.75kg of Barastoc Hobby Farm Mix per meal for sheep.

DO NOT feed sheep additional copper without first consulting a veterinarian or animal nutritionist.

### STORAGE REQUIREMENTS

Store under cover in a cool, dry place below 30°C and protected from exposure to direct sunlight.
